

With 21.000 employees based in 170 production units across five different continents, CCL Industries Inc is the world's largest manufacturer of self-adhesive labelling solutions in the world.

We are etikett.de and we print product labels for brands and businesses across the globe. Situated in Föhren, alongside our international brands such as label.co.uk and etichetta.it, we are bringing the world of label printing online.

We are looking to bolster our team with an English-speaking marketing assistant

### Location and Team:

- Very comfortable & modern working environment.
- Flexible working style along with room for creativity and professional development
- Flat Hierarchy
- The opportunity to stamp your style and ideas into a young, growing business unit
- New offices and production are situated on a modern Business Park just north of Trier, Germany.
- Three motorway connections nearby that offer accessibility to Frankfurt, Cologne, Luxembourg & Metz.

## Marketing Assistant, Föhren (close to Trier) ENGLAND (Mini-Job)

### The Role:

Work alongside our international team and help us improve our marketing efforts in English-speaking regions across the globe:

- Support with website and content generation
- Support in coordination of direct mailing campaigns
- Support in CRM maintenance
- Support & help develop our social media marketing efforts

### What we are looking for:

- A reliable commitment of approx. 12 hours of your time per week
- Native level English skills; strong written communication
- Enthusiasm and ability to learn new concepts quickly
- Knowledge of the print industry not essential
- Basic understanding of digital marketing concepts would be advantageous

### What we are offering:

- Subsidised travel to our facility at least one day a week
- A number of hours may be completed remotely once a relationship has been established
- Flexible working
- International team in a modern, comfortable working environment
- Potential opportunities as other business areas/projects grow

### Contact Details:
